

## **IMGO Privacy Policy**

Definitions in this policy:

- User is a natural or legal person using IMGO:s Resources
- GDPR means EU's General Data Protection Regulation
- Personal data, Processor and Controller will each have the meaning given to them in Article 4 of the GDPR.

### **Our Privacy Policy in short**

Any information we receive from you will never leave our secure servers. We will not use it for any purposes other than those which you have given your permission for. All passwords you use with our Resources (as defined in User Agreement) are stored encrypted and cannot be read by anyone, not even by us. We do not share or sell any of the information given to us.

### **Privacy Policy details**

We are committed to protecting your privacy. For IMGO, the protection not only of personal but of all data that flows through our platform is the top priority. As part of this effort, we process personal data in accordance with the GDPR, and in accordance with the data protection regulations applicable to IMGO.

### **Information we collect**

We collect information in two ways:

1) Information you provide to us directly

- Registration information: In order to register for a basic account, you must provide your name, email address and a password. We will not use this personal information for any purposes other than those which you provided it for. ORGO TECH AB is the data controller in respect of this data.

2) Information we get from your use of our Resources

- All pictures that are optimized and saved to your account; and
- When you use our Resources, we may record information and store logs which helps us improve the utility value of our Resources. This may include your preferences or history when accessing our Resources.

### **How and where we store your personal data**

We are committed to doing our very best to protect your data and keep it confidential. We employ advanced security practices to keep your data safe and secure. Our servers are housed in one of the most modern data centers in Europe, equipped with the latest security technologies. Your data is stored at Amazon Europe Central 1. It is one of Amazon's computer halls located in Frankfurt, Germany.

### **Changes to our Privacy Policy**

This Privacy Policy may change from time to time. If we make a change that we believe substantially reduces your rights, we will provide you with notice by email. By continuing to use the Resources after those changes become effective, you agree to be bound by the revised Privacy Policy.

Please feel free to contact us at [info@orgotech.com](mailto:info@orgotech.com) if you have any questions about our Privacy Policy, or you need more information then we have shown here.

End of the Privacy Policy. Last revision: 2018-10-12
